Stone Soup delights in connecting with families through our “Parent Boards”, and for so many years we have utilized this special designated area to display important information, daily events, pictures, projects, announcements, and much more.....

Unfortunately, as schools implement closed campuses, access to these “Parent Boards” is no longer an option. In an effort to continue connecting with families, we ask that you complete this form and provide us with the information that will allow us to correspond effectively throughout this school year.

Assertive Practices

A good learning environment provides each child with knowledge, discipline, care and concern. Each child must enjoy school, feel supported by teachers and feel safe in his/her environment for educational, social and psychological development to occur.
